Dear Mr. Cohen:

Enclosed you will find copy of correspondence received by the undersigned from Dr. Marwan M. Sadat, Director of the Division of Waste Management, Department of Environmental Protection, Trenton. As you know, the enclosed correspondence is part of continuing efforts being made by the Ironbound Committee Against Toxic Waste to facilitate the removal of toxic waste from the building at 140 Thomas Street in Newark (one block from South Street School).

On behalf of the students, parents and staff at South Street School, this letter will also serve to express this writer's appreciation for the continued efforts of the Ironbound Committee Against Toxic Waste.

Enclosure
RCW/rcw

Very truly yours,

Roger C. Watson, Principal
